EDUCATION

Coventry University

BSc (Hons) in Computing 2024 - reading

National Institute of Business Management

HND in Software Engineering 2023 - 2025
Diploma in Software Engineering 2022 - 2023

Mahinda Rajapaksha College Homagama

A/L : Physical Science 2021
O/L: 5A, 3B, C 2017

EXPERTISE

- Software Product Development
- UI/UX Implementation & Enhancement
- Adaptability and Continuous Learning Mindset
- Effective Team Collaboration
- Flexible and Goal-Oriented Approach
- Visual Communication & Branding

CERTIFICATES

LinkedIn Learning
Generative AI

Great Learning Academy
UI / UX for Beginners
Android Application Development

PROFILE

I am currently pursuing a BSc (Hons) in Computing from Coventry University, offered at NIBM, Sri Lanka. Passionate about software development, UI/UX design, and creating user-centered digital solutions that blend functionality with clean design. Looking forward to applying technical knowledge, expanding development expertise, and contributing to innovative software projects alongside a team of forward-thinking professionals.

WORK EXPERIENCE

Software Intern – Digital Platforms Development Section

SLT-MOBITEL | March 2025 – September 2025

- Contributed to the development and maintenance of internal digital platforms.
- Collaborated with cross-functional teams to improve application performance and user experience.
- Gained hands-on experience in mobile application development, and version control.

Co-Founder – AllergiMate

Self-Employed | August 2024 – Present

- Leading product development and design for an innovative allergy management solution.
- Involved in UI/UX implementation, feature planning, and technical decision-making.
- Collaborate with a multidisciplinary team to build and refine a user-focused mobile application.

HACKATHONS

- Achieved Championship in HackElite 1.0 by WIE of UOM with Team TechTitans. 2024
- Participated in IEEEExtreme 18.0 with Team TechYNM, ranking 1,535 globally out of 8,785 teams and 154 out of 587 teams in Sri Lanka. 2024

PROJECTS

Talent Hub – SLT Project	2025
<i>Tech : Flutter</i> <i>Role : Mobile App developer</i>	
Chat Hub – SLT Project	2025
<i>Tech : Flutter , Python</i> <i>Mobile app and Admin Dashboard</i>	
Fashion Store Static Website	2025
<i>Tech : HTML,CSS,JS Design : Figma</i> <i>(https://github.com/malmiO/Fashion-Store)</i>	
Smart Irrigation System	2025
<i>NodeMCU ESP8266 microcontroller,</i> <i>Firebase, Android Mobile App</i>	
Color Vista: Dominant Color Visualizer	2024
<i>Python, OpenCV, Google Colab</i> <i>(github.com/malmiO/Dominant-Color-Palette)</i>	

EXTRACURRICULAR

- NIBM Computing Society Media Member
- IEEE student branch of NIBM Media Member
- Handcrafting and selling unique handmade products
- Blog Writer
gaamelover.blogspot.com
- Graphic Designer
- Social Media & Content Creator – Chubby Foods (2023 – Present)
 - Created and Managing the Facebook page [. \(facebook.com/chubbyfoodss\)](https://facebook.com/chubbyfoodss).
 - Creating engaging social media posts, promotional videos.
 - Working closely with the business owner to grow the business through online marketing and customer engagement.
